

Biotech NetWorkshop

28th – 29th June 2017 Munich, Germany

Connecting life-science startups and entrepreneurs

- /// Meet fellow startups, leading entrepreneurs and supporters of innovation
- /// Learn about the newest trends in the biopharma industry and helpful strategies important for successful product development
- /// Mix and mingle at the rooftop summer reception with fellow attendees, the speakers, investors and executives from biotech + pharma. Featuring music by DJ C.M.A.
