

AN INITIATIVE OF:

06.07.2017

3RD MUNICH

LIFE SCIENCE PITCH DAY

APPLY UNTIL THE 19TH OF JUNE

Find your investors

Apply now and present your technology to leading Life Science investors and corporate decision makers.

Please apply via email and kindly include a non-confidential executive summary or presentation of your Start-up.

The event is free of charge, however, registration is mandatory as space is limited.

Find your asset

Apply to the Merck Asset Lounge and get access to hidden jewels to start your own company.

Please apply via email and kindly include a short summary of your expertise and motivation.

SCHEDULE OF THE DAY

12.00 am | Registration

12.30 am | Presentations of the hosts

Dr. Peter Hanns Zobel, CEO, IZB

Prof. Dr. Stefan Jaroch, Head of External Innovation Technologies, Bayer AG, Drug Discovery, Pharmaceuticals

Dr. Dirk Vocke, Associate Director, Innovation & Entrepreneurship Incubator, Merck KGaA

Dr. Christian Jung, Principal, Wellington Partners Life Science Venture Capital

Dr. Marianne Mertens, Investment Manager, High-Tech Gründerfonds Management GmbH

01.00 pm to 03.00 pm | Non-confidential Start-up pitches

Each 10 minutes pitches followed by 10 minutes helpful feedback and sound advice from the experts.

Moderator: Dr. Matthias Kromayer, CEO, MIG AG

03.00 pm to 03.30 pm | Coffee break

03.30 pm to 04.30 pm | Merck Asset Lounge

Merck presents assets available to future founders.

04.30 pm to 08.00 pm | Snacks and networking
